Claimant:
"Wilfred D Leong as custodian for Clifford Leong under the California Uniform gifts to
Minors Act
3616 Garner Pl
Encinitas, CA 92024"

My claim of common stock ownership in Delphi Co should not be disallowed for the
stated 'basis for objection' of "insufficient documentation". I do not have the stock
certificate itself. As evidence of ownership, I am enclosing a copy of the check stub of
the last dividend I received from Delphi. I have not since sold or otherwise transferred
ownership of this share.

Delphi clearly has ample record of me as a current stockholder in order to be pursuing
these 'disallowance of claim' bankruptcy notifications. They would not be sending
dividend checks if they did not have record of my ownership. I believe Delphi's legal
representation to be irresponsible in its behavior towards me and is breeching their
fiduciary trust to me as a Delphi shareholder by trying to have me dismissed due to
internal Delphi "insufficient documentation".

I wish to be included, as a common stock shareholder, in the distribution of the liquidated
assets in the bankruptcy of Delphi.

As a courtesy to the Court, I also wish to notify it that I will not be able to attend the
scheduled legal sufficiency hearing on 12 Jan 2007 at 10:00 in the United States
Bankruptcy Court for the Southern District of New York.
